## Become A Historical Society Member Today

The Warrenville Historical Society is a self-supporting 501(c)(3)not-for-profit organization. The Warrenville Historical Society was organized in 1980 and the Society opened the Warrenville Historical Museum & Art Gallery in 1984. Space was provided for the Museum in one room of the Greek Revival Style Albright Building through the generosity of the City of Warrenville, interest groups, businesses and individuals. The Museum now encompasses the entire building. The Museum is supported by the Warrenville Historical Society Memberships, donations, fund raisers, and the Warrenville Museum Guild, as well as a grant from the City of Warrenville.

**As a Historical Society Member, your contributions will help support this important community museum. We are happy to offer a new tiered membership support system with new advertising opportunities for Business Members!**

### Benefits of Business Membership & Levels

**Roundhouse Level \$25:** all Business Members receive quarterly newsletter and advertising in newsletters and at the Museum.

**Albright Building Level \$50:** Roundhouse Level benefits plus advertising on website and advertising at all events.
